2016 Spring BOKS  
Before School Program  
"Building Our Kids' Success"*

SPR is excited to continue the "BOKS" before-school program for the 2016 spring season! BOKS is an international non-profit that aims to get children moving and motivated before school to boost their academic performances. Drop your child off early and they will get to exercise and play games with their friends before taking the bus to school!
