What is the "Summer Blast Finale" Extended/Preseason Rec Camp?

It's a combined version of our Summer Camp and After School Programs held the week of August 28th to cover the week after summer camp ends and before school begins.

Saco Parks & Recreation will be offering a week of fun filled activities for your children to enjoy before going back to school. There will be movies, arts & crafts and all around fun. If staffing allows, we may also plan local field trips. Schedules will not be sent out in advance as the ability to offer trips will be based on staffing and the number of participants registered. Taking this into consideration, it is best to send your child with a change of clothes, sunscreen, swimsuit, and towel (in addition to lunch, snacks and water) to be prepared. Larger field trips will be announced and may require an additional fee to cover admission.

Fee Options Offered Daily!

Daily Fee: \$33.00/residents; \$38.00/non-res. You only have to purchase the days needed!*

Full summer camp participants: the Summer Blast Finale cost is not covered by the original summer camp enrollment, so please make sure to register for days needed in this week.

**Credits will not be issued for days unused, so please only purchase the days you need.*
